

# Feel On Baby

The Rolling Stones

Feel on baby  
Feel on baby  
Feel on baby  
Feel on baby  
Feel on baby  
Feel on baby  
Feel on baby

When I travel coast to coast  
You're the hook up I miss the most  
In the motel you're the ghost  
Other women don't come close

Feel on baby  
Feel on baby  
Feel on baby  
Feel on baby

From the first time such a crush  
Such excitement, such a rush  
In the kitchen, in the car  
In the ditch, on the dirty floor

Feel on baby  
Feel on baby  
Feel on baby

Feel on baby  
Feel on baby  
Feel on baby  
Feel on baby  
Feel on baby  
Feel on baby

Wanderlust and love disease  
Taken over and strangled me  
Cure my body, make me whole  
Feed my body, feed my soul

Feel on baby  
Got to feel on  
Got to feel on  
Feel on, feel on  
Got to feel on  
Got to feel on  
Got to feel on

Got to feel on  
Got to feel on  
Feel on baby  
Baby baby baby baby....
