## **The Rolling Stones**

```
Feel on baby
When I travel coast to coast
You're the hook up I miss the most
In the motel you're the ghost
Other women don't come close
Feel on baby
Feel on baby
Feel on baby
Feel on baby
From the first time such a crush
Such excitement, such a rush
In the kitchen, in the car
In the ditch, on the dirty floor
Feel on baby
Wanderlust and love disease
Taken over and strangled me
Cure my body, make me whole
Feed my body, feed my soul
Feel on baby
Got to feel on
Got to feel on
Feel on, feel on
Got to feel on
Feel on baby
Baby baby baby baby....
```
