

## Good Times, Bad Times

The Rolling Stones

There've been good times  
There've been bad times  
I have my share of hard times, too  
But I lost my faith in the world  
Honey, when I lost you

Remember the good times we've had together  
Don't you want them back again  
Though these hard times are bugging me now  
Honey, now it's a sin

There's gotta be trust in this world  
Or it won't get very far  
Well, trust in someone  
Or there's gonna be war
