I Am Waiting

The Rolling Stones

I am waiting, I am waiting oh yeah, oh yeah I am waiting, I am waiting oh yeah, oh yeah Waiting for someone to come out of somewhere Waiting for someone to come out of somewhere You can't hold out, you can't hold out Oh yeah, oh yeah You can't hold out, you can't hold out Oh yeah, oh yeah Waiting for someone to come out of somewhere Waiting for someone to come out of somewhere See it come along and don't know where it's from Oh, yes you will find out Well, it happens all the time It's censored from our minds You'll find out Slow or fast, slow or fast Oh yeah, oh yeah End at last, end at last Oh yeah, oh yeah Waiting for someone to come out of somewhere Waiting for someone to come out of somewhere Stand up coming years and escalation fears Oh, yes we will find out Well, like a withered stone Fears will pierce your bones You'll find out Oh we're waiting, oh we're waiting Oh yeah, oh yeah Oh we're waiting, oh we're waiting Oh yeah, oh yeah Waiting for someone to come out of somewhere Waiting for someone to come out of somewhere Oh we're waiting, oh we're waiting Oh we're waiting, oh were waiting...
