## Let It Rock

## **The Rolling Stones**

In the heat of the day down in Mobile, Alabama Working on the railroad with the steel driving hammer Gotta make some money to buy some brand new shoes Tryin' to find somebody to take away these blues "She don't love me" hear them singing in the sun Payday's coming and my work is all done

Later in the evening when the sun is sinking low All day I been waiting for the whistle to blow Sitting in a teepee built right on the tracks Rolling them bones until the foreman comes back Pick up you belongings boys and scatter about We've got an off-schedule train comin' two miles about

Everybody's scrambling, running around
Picking up their money, tearing the teepee down
Foreman wants to panic, 'bout to go insane
Trying to get the workers out the way of the train
Engineer blows the whistle loud and long
Can't stop the train, gotta let it roll on
