

# Take It or Leave It

The Rolling Stones

You can turn off and on more times  
than a flashin' neon sign.  
When you want you're bad  
but you can be so kind

Just take it or leave it  
Don't tell your friend  
just what you're gonna do now  
You take it or leave it, it's just my life

There've been times when you tried  
makin' eyes at all my so called friends  
Then you go, now you're back  
but you can be so kind

Just take it or leave it  
Don't tell your friend  
just what you're gonna do now  
You take it or leave it, it's just my life

Oh, la la la ta ta ta ta la la la la  
Oh, la la la ta ta ta ta la la  
Oh, la la la ta ta ta ta la la la la  
Oh, la la la ta ta ta ta la la

I'm sick and tired of the smile that you give  
when you don't come home at night  
You said you'd call, that's a lie  
but you could be so kind

Just take it or leave it  
Don't tell your friend  
just what you're gonna do now  
You take it or leave it, it's just my life

Oh, la la la ta ta ta ta la la la la  
Oh, la la la ta ta ta ta la la  
Oh, la la la ta ta ta ta la la la la  
Oh, la la la ta ta ta ta la la

Oh, la la la ta ta ta ta la la la la  
Oh, la la la ta ta ta ta la la
