Take It or Leave It

The Rolling Stones

You can turn off and on more times than a flashin' neon sign.
When you want you're bad but you can be so kind

Just take it or leave it
Don't tell your friend
just what you're gonna do now
You take it or leave it, it's just my life

There've been times when you tried makin' eyes at all my so called friends Then you go, now you're back but you can be so kind

Just take it or leave it
Don't tell your friend
just what you're gonna do now
You take it or leave it, it's just my life

Oh, la la la ta ta ta la la la la Oh, la la la ta ta ta la la Oh, la la la ta ta ta la la la Oh, la la la ta ta ta ta la la la

I'm sick and tired of the smile that you give when you don't come home at night You said you'd call, that's a lie but you could be so kind

Just take it or leave it
Don't tell your friend
just what you're gonna do now
You take it or leave it, it's just my life

Oh, la la la ta ta ta la la la la Oh, la la la ta ta ta la la Oh, la la la ta ta ta ta la la la Oh, la la la ta ta ta ta la la la Oh, la la la ta ta ta ta la la

Oh, la la la ta ta ta la la la la Oh, la la la ta ta ta la la
