

Give Me A Reason

The Rosebuds

Give me a reason and I will follow
Give me a reason and I will follow
Cause you've got a heart, won't make me scared
And I've got a heart that needs repairing

So give me a purpose, something I can be
Give me a purpose, something I can see
Cause you've got a heart with a certain kindness
And I've got a heart that needs reminding

Oh oh-oh, give me a reason!
Oh oh-oh, give me a heart!
Oh oh-oh, give me a reason!
Oh oh-oh!

You've got a heart that keeps on growin'
And I've got these broken parts I've been hidin'
So watch your step right here, follow me outside
Your southern accent caught me by surprise
I've kept myself quiet but I think you might understand
Woh oh oh-oh-oh

Oh oh-oh, give me a reason!
Oh oh-oh, give me a heart!
Oh oh-oh, give me a reason!
Oh oh-oh!
