

Wake Up

The Royal Concept

From the moment you wake up
To the times that you break down
When you feel like you can't go on
And you know that you don't belong

From the moment you wake up
To the times that you break down
When you feel like you can't go on
And you know that you don't belong

(I should've known better I should've known better)

When tears fill up your eyes
And your truth is built with lies
And you're buried in disguise
When you could have always been mine
Always been mine
Well you could have always been mine
