

## Another Day

### The Rutles

At times like these when enemies can number more than friends  
A friend indeed is what I need, not someone who pretends  
I'm on my way  
I cannot stay another day

You're such a pain, must I explain my every meaning to you  
It's such a drag the way you nag at me and make me feel blue  
I'm on my way  
I cannot stay another day

You're so pusilanimous, oh yeah  
Nature's calling and I must go there

A glass of wine with Gertude Stein I know I'll never share  
But I don't mind, that's just the kind of cross each man must bear  
I'm on my way  
I cannot stay another day

You're so pusilanimous, oh yeah  
Nature's calling and I must go there

Another day, I know they say that all the world's a stage  
I'll play the fool, but as a rule I'd rather act my age  
I'm on my way  
I cannot stay another day  
I'm on my way  
I cannot stay another day  
I'm on my way  
I cannot stay another day
