

# Hey Mister!

## The Rutles

When you woke up this morning  
Did you feel all alone?  
Did you get a grip on yourself?  
Were you just flesh and bone?

Did you long for the center-fold spread  
Of some bimbo-girl magazine to appear by your side  
And physically question your manhood  
And make you come clean?

Hey, hey mister, all you need  
Is a little rock 'n' roll, rock 'n' roll  
Rock 'n' roll

When you woke up this morning  
Did you you feel like hell?  
Did you think that some Jevohah's Witness  
Was a-ringing your bell?

Did you think you were in Babylon?  
Did you take a good look around?  
Or did you stick your head out the window  
And find you could not make a sound?

Hey, hey mister, all you need  
Is a little rock 'n' roll, rock 'n' roll  
Rock 'n' roll

When you woke up this morning  
Did you get up and go?  
Did you take a good look at yourself in the mirror  
And go on with the show?

Did you picture yourself as a Leonardo Da Vinci  
With wrinkles and curls?  
Or did you see just another piece of modern art  
Like 'The Peppermint Tower' in 'Praise Of Greedy Little Girls'?

Hey, hey mister, all you need  
Is a little rock 'n' roll, rock 'n' roll  
Rock 'n' roll.
