

Criminal Mind

The Ruts

Got a criminal mind, it's rather unkind
I do it for kicks, and it's a habit that, STICKS
You do what you wanna
I do what I wanna do

I do it for the kicks
And it's a habit that, STICKS

They'll put you back down and people push me 'round
Well I do it for kicks, it's a habit that, STICKS

You do what you wanna
I do what I wanna do

I do it for kicks
And it's a habit that, STICKS (x3)

Well the things that are possible once you dare
I've sussed the cake and it's on the take

You do what you wanna
I do what I wanna do

I do it for kicks
And it's a habit that, STICKS (x3)
