

## Living In England

The Screaming Jets

I didn't want to be so superstitious  
I didn't want to say that I was wrong  
But does New Orleans have voodoo  
Does cocaine make you chew  
Are you acting like I wanted you to do  
Living in England  
I don't have to act like I'm having fun  
Sitting here in the sun  
In England  
In the jazz land I kept flashing to Angel Heart  
In the heat you'll watch the fans go round and round and round  
In that heart pumping south  
It knocks my head about  
Are you acting like I wanted you to do  
Living in England  
I don't have to act like I'm having fun  
Sitting here in the sun  
In England  
When I'm out and dreaming  
When I'm on my own  
When I'm out and dreaming  
Living in England  
I don't have to act like  
I'm having fun  
Sitting here in the sun  
In England
