

Sister Tease

The Screaming Jets

That's right.
Her name is Sister Tease,
She really knows how to please.
Yeah she'll kiss your lips,

She'll have you doin' backflips,
Yeah, but that's her game,
Oh she'll drive me insane.
When she grabs my mane,

I'm goin' outta my brain.
I feel the blood rush past,
Oh, I hope I can last,
But the end is near,

Come on sister dear.
Oh Sister Tease,
She really knows how to please.
Sister Tease,

You drive me to my knees.
C'mon sister please,
Be my tease.
Well I'm in my room,

And she rides my broom.
Oh what a witch,
The dirty little bitch.
But what a way to be pleased,

Come over here,
Sister Tease.
Well I'm in my room,
And she rides my broom.

What a witch,
The dirty little bitch.
But what a way to be pleased,
Ah,

Sister Tease.
