

# Have You Ever Loved Somebody

The Searchers

You say that you want me and now that you've got me  
you're gone  
So think what you're doin' or else you'll regret what  
you've done  
Don't come back tomorrow and say what we did wasn't  
right  
You'll cry on your pillow and find it hard to sleep at  
night

Have you ever loved somebody  
Don't you know just what it's like  
Hurting someone that you're close to  
Have you ever loved all night, all night

Remember what happened the last time that you said  
goodbye  
Remember the sayin' that once bitten now means twice  
shy  
It's no use me cryin' there is no denyin' it's right  
But thinkin' has ruined the feeling that we had to  
fight

Have you ever loved somebody  
Don't you know just what it's like  
Hurting someone that you're close to  
Have you ever loved all night, all night

If you hear people talkin' now  
Will you laugh or cry?  
If you cry I'll sympathize with you  
If you laugh I'll die, if you laugh I'll die

Have you ever loved somebody  
Don't you know just what it's like  
Hurting someone that you're close to  
Have you ever loved all night, all night

Have you ever loved somebody  
Don't you know just what it's like  
Hurting someone that you're close to  
Have you ever loved all night, all night

Have you ever loved somebody  
Don't you know just what it's like  
Hurting someone that you're close to  
Have you ever loved all night, all night
