Sugar and spice and all things nice
Kisses sweeter than wine
Sugar and spice and all things nice
You know that little girl is mine

Everybody stops and stares at my baby
When she's walking down the street
People passing by just look at my baby
'Cause my baby looks so sweet, you know she's

Sugar and spice and all things nice
Kisses sweeter than wine
Sugar and spice and all things nice
You know that little girl is mine

Every time we kiss I get that feeling
Every time we simply meet
When I see her smile I get that feeling
'Cause my baby looks so sweet, you know she's

Sugar and spice and all things nice
Kisses sweeter than wine
Sugar and spice and all things nice
You know that little girl is mine

Never ever known a girl so lovely
Sweet enough to want to eat
Everybody's crazy about my baby
'Cause my baby looks so sweet, you know she's

Sugar and spice and all things nice
Kisses sweeter than wine
Sugar and spice and all things nice
You know that little girl is mine
