

# Western Union

## The Searchers

Things went wrong today  
Bad news came my way  
I woke up to find  
A wire that blew my mind

Western Union man  
Bad news in his hand  
Knocking at my door  
Selling me the score

Fifteen cents a word to read  
A telegram I didn't need  
Said she doesn't care no more  
Think I'll throw it on the floor

Got your cable just today  
Killed my groove, I've got to say, hey hey  
Western Union

(Da-da-da-da-da da-da-da-da-da)  
(Da-da-da-da-da da-da-da-da-da)  
(Da-da-da-da-da da-da-da-da-da)  
(Da-da-da-da-da da-da-da-da-da)

Now you've gone away  
How it's sad to say you've gone

I remember what they said  
Now I'm going out of my head

Telegram just had to say  
You've learned your lesson all the way, hey hey

Telegram just had to say  
You've learned your lesson all the way, hey hey  
Western Union

I'll be on my way 'cause  
There's another girl for me

(Da-da-da-da-da da-da-da-da-da)  
(Da-da-da-da-da da-da-da-da-da)  
(Da-da-da-da-da da-da-da-da-da)  
(Da-da-da-da-da da-da-da-da-da)

I'll be sure of her and  
Things will be as they were  
(Da-da-da-da-da da-da-da-da-da)

Western Union, oh Western Union  
Western Union, oh Western Union  
Western Union, oh Western Union
