

Used to Be Sweet

The Secret Handshake

You used to be so sweet to me
Now you've left me feeling so incomplete
I don't know what you've done to me
I've been lonely (I've been lonely)

So just last year you started acting weird
And I knew the things you said were insincere
But I played the part of the fool
I played that role for you

And Mama said to just give it time (but)

I (I) don't (don't) love (love) you (you), anymore (anymore) And I've
fallen out of love
Ya, I've fallen out of love

You used to be easy to read
Now it's hard for me to know what you mean
I don't know what you want from me
Say you're lonely
But you don't own me

But then you were so moody for about a year
And I thought it was just cuz' you were insecure
So I gave you a little ro-oo-oom
Thought it'd be good for yo-oo-oo

And Daddy said you're gonna be fi-i-i-ine

I (I) don't (don't) love (love) you (you), anymore (anymore) And I've
fallen out of love
Ya, I've fallen out of love

Ooo, believe it or not
This was just part of the plot
I-I tried to just keep us going
But in the end I stopped

I guess we're done playing games
I'll try to forget your name
Cuz' in the end it's just the way it goes...

I (I) don't (don't) love (love) you (you), anymore (anymore)
I don't love you anymore
You're gonna be fi-i-ine

I (I) don't (don't) love (love) you (you), anymore (anymore) And I've
fallen out of love
Ya, I've fallen out of love
