

Something's Gotten Hold of My Heart

The Shadows

Something's gotten hold of my heart Keeping my soul and my senses apart
Something's gotten into my life Cutting its way through my dreams like the night
Turning me up turning me down Making me smile and making me frown

In a world that was small I once lived in a time that was peace
With no trouble at all But then you came my way And a feeling
I know shook my heart Made me want you to stay All of my nights
and all of my days

Yeah I gotta tell ya now Something's gotten hold of my hand
Dragging my soul to a beautiful land And something has invaded my
night Painting my sleep with the colours so bright Changing the
grey, changing the blue Scarlet for me and scarlet for you

I've got to know if this is the real thing I've got to know what's
making my heart sing Whoa yeah, you smile and I am lost for
a lifetime Every minute spent with you is the right time Every
hour yeah every day yeah You touch me and my mind goes astray
And baby, and baby

Something got a hold of my hand Dragging my soul to a beautiful
Dragging my soul to a beautiful land Yeah something has invaded
my night Painting my sleep with the colours so bright
