

Ewan's Blues

The Sheepdogs

When you wake up in the evening,
You will waste your chance to grow.
Fourteen years of living's how I know.
And if you think that's a foolproof plan,
Then you better find another man.
And if you feel like your bound to rust,
Or you don't know who to trust.
Well you'll never know, how I love you so.
How I love you so.

Everybody lies,
And no one wonders why.
And if you're dressed out all the time little darling,
I get that wondering eye.
You'll never know,
How I love you so.
How I love you so.
Yeah I love you so.

You'll never know,
How I love you so.
