

Sha La La

The Shirelles

Sha la la la la la sha la la la la la la
Sha la la la la la la la la la

I met you for the first time last night
When I kissed you and I held you tight
Baby you made me feel alright
So this is the song that I sang all night

Sha la la la la la sha la la la la la la
Sha la la la la la la la la

When you kissed me I felt so weak
Never had so grand a treat
Each time I see you walking down the street
My heart starts singing to the sha la beat singing

Sha la la la la la sha la la la la la la
Sha la la la la la la la la

Sha la la say you love me too
Sha la la say my love is true yeah
Let's spend our lives together
We'll be happy forever

Sha la la la la la sha la la la la la la
Sha la la la la la la la la
