Too Much Of A Good Thing

The Shirelles

(Wo wo wo wo, wo wo wo wo, wo wo wo wo)
All my life I'm gonna love you just as much as I can
And no one's made me ever think so much as anyone, man

Too much of a good thing can never hurt anybody, baby
And you've got a real good thing with me
So move a little closer, come closer to me, & you'll see
Too much of a good thing never, can never hurt anybody, baby
And you've got a real good thing with me

Oh baby, oh baby

I was savin' all my love until the day I met you
And I'm gonna give it all to you until I get you
