

# Face in My Crowd

The Slackers

You cheat, you lie,  
you talk about my friends.  
To their face, their back,  
when will it ever end?

Why you wanna be  
a face in my crowd?  
Why you wanna be  
a face in my crowd?

You come around the show  
on the weekend  
I don't like your hair, your clothes,  
or your girlfriend.

Why you wanna be  
a face in my crowd?  
Why you wanna be  
a face in my crowd?

I didn't call you up, wanna be.  
I didn't call you up, wanna be.  
I didn't call you up, wanna be.

You cheat, you lie,  
you talk about my friends.  
You got no alibi,  
the history never ends.

Why you wanna be  
a face in my crowd?  
Why you wanna be  
a face in my crowd?

I didn't call you up, wanna be.  
I didn't call you up, wanna be.  
I didn't call you up, wanna be.

I shudder when i think of all the heartache you  
embrace.  
I used to know your crowd, your position and your place.  
You know, I had to laugh when you said you lost your  
faith.  
You had nothing to lose.
