

# Made Up My Mind

The Slackers

I made up my mind,  
I still love you.  
I just got to find the time  
to show you how i feel.

Sometimes in life  
I get a little down, sometimes.  
I just got to find the time,  
to show you how I feel.

They say these were the days in life  
when we'd be young and free,  
but we spend all my time in strife  
struggling in poverty.

It's not the way that I want it,  
but it's the way it's got to be.  
The way it's got to be  
for you and me.

I made up my mind  
and i feel so fine.  
I feel good  
and I made up my mind.

They say these were the days in life  
when we'd be young and free,  
but we spend all my time in strife  
struggling in poverty.

It's not the way that I want it,  
but it's the way it's got to be.  
The way it's got to be  
for you and me.

I made up my mind,  
I hope it was just in time (2x)

I made up,  
I made up,  
I made up,  
I made up my mind.
