

How come you profit while I profit not?
Are we both eating from the same pot?
You get the meat, while I get the bone
You drink the stew, and leave me the stone

'Cause I see the bucket full
You say it empty
I see the bucket full
You say it empty
I see the bucket full
I want my food

How you're big, while I am small?
I'm not too tiny to help you at all
You maybe Goliath, but I am the king
And at your head will I aim my swing

'Cause I see the bucket full
You say it empty
I see the bucket full
You say it empty
I see the bucket full
I want my food

How can you use the bucket and draw your fill
While we are waiting at the world still?
Time slows down, the days grow long
But I'm still singing the same old song

Because...

How come you profit while I profit not?
Are we both eating from the same pot?
You get the meat, while I get the bone
You drink the stew, and leave me the stone

'Cause I see the bucket full
You say it empty
I see the bucket full
You say it empty
I see the bucket full
I want my food now
I want my food now
I want my...
