```
He's lying by the river
He's rested and unsatisfied
He's searching for the better but finds that
Difficult fun is hard to come by
Difficult fun is hard to come by
And empty fun is easy
And empty fun is easy to find
Fun is not easy
He's lying around the gloam
He's rested and unsatisfied
Leaving a trail behind him
Fighting better on habits
Difficult fun is hard to come by
Difficult fun is hard to come by
And empty fun is easy
And empty fun is easy to find
Fun is not easy to find
Pleasure seeking
Pleasure seeking
```

Is easy
