

# Bring Back The One I Love

The Smithereens

My girl is leaving town  
Left me here six feet under the ground  
They say she's homeward bound

She's the one I love but she just won't talk to me  
When I'm in the crowd she's the only face I see

Bring back the one I love  
That girl's the one I've been dreaming of  
Bring back the one I love  
She's the only one, she's the only one for me

My time is running out  
Leaves my head filled with nothing but doubts  
I want to scream and shout

She's the one I need but she just won't talk to me  
When I'm in the crowd she's the only face I see

Bring back the one I love  
That girl's the one I've been dreaming of  
Bring back the one I love  
She's the only one, she's the only one for me

That girl has come and gone  
It didn't last too long  
She never did belong to me

She's the only one, she's the only one for me

My time is running out  
Leaves my head filled with nothing but doubts  
I want to scream and shout

She's the only one, she's the only one for me  
She's the only one, she's the only one for me  
She's the only one, she's the only one for me

Bring back the one I love  
That girl, the one I've been dreaming of  
Bring back the one I love  
That girl, the one I've been dreaming of

Bring back the one I love  
That girl, the one I've been dreaming of  
Bring back the one I love  
That girl, the one I've been dreaming of

Bring back the one I love  
That girl, the one I've been dreaming of  
Bring back the one I love
