

I Saw Her Standing There

The Smithereens

Well, she was just seventeen
You know what I mean
And the way she looked
Was way beyond compare
How could I dance with another
Oh, when I saw her standing there

Well, she looked at me
And I, I could see
That before too long
I'd fall in love with her
She wouldn't dance with another
Oh, when I saw her standing there

Well, my heart went boom
When I crossed that room
And I held her hand in mine

Oh, we danced through the night
And we held each other tight
And before too long
I fell in love with her
I'll never dance with another
Oh, when I saw her standing there

Well, my heart went boom
When I crossed that room
And I held her hand in mine

Oh, we danced through the night
And we held each other tight
And before too long
I fell in love with her
I'll never dance with another
Oh, since I saw her standing there
Since I saw her standing there
Yeah well, since I saw her standing there
