## **I Saw Her Standing There**

## **The Smithereens**

Well, she was just seventeen You know what I mean And the way she looked Was way beyond compare How could I dance with another Oh, when I saw her standing there

Well, she looked at me And I, I could see That before too long I'd fall in love with her She wouldn't dance with another Oh, when I saw her standing there

Well, my heart went boom When I crossed that room And I held her hand in mine

Oh, we danced through the night And we held each other tight And before too long I fell in love with her I'll never dance with another Oh, when I saw her standing there

Well, my heart went boom When I crossed that room And I held her hand in mine

Oh, we danced through the night And we held each other tight And before too long I fell in love with her I'll never dance with another Oh, since I saw her standing there Since I saw her standing there Yeah well, since I saw her standing there
