

# Life Is So Beautiful

The Smithereens

Life is so beautiful, now what do I do to save my soul?  
I wanted everything, and I never thought I'd lose control  
Can't remember anything, now what did I do to make you cry?  
Didn't I promise you to love you until the day I die?

Life is so beautiful, now what do I do to save my soul?  
I wanted everything, and I never thought I'd lose control  
Can't remember anything, now what did I do to make you cry?  
Didn't I promise you to love you until the day I die?

There are times I hear a gentle song  
And it makes me feel I don't belong  
And to me it's still a mystery  
Why the things I do all turn out wrong

There's a young man in a photograph  
And he's smiling young and so carefree  
Now I see that it's been torn in half  
And I can't believe that boy is me

Life is so beautiful, now what do I do to save my soul?  
I wanted everything, and I never thought I'd lose control  
Can't remember anything, now what did I do to make you cry?  
Didn't I promise you to love you until the day I die?

Life is so beautiful  
Life is so beautiful  
Life is so beautiful  
So beautiful
