

# You've Got Everything Now

The Smiths

As merry as the days were long  
I am right and you were long  
back at the old grey school  
I would win and you would lose

But you've got everything now  
you've got everything now  
and what a terrible mess I've made of my life  
oh what a mess I've made of my life

No, I've never had a job  
because I've never wanted one  
I've seen you smile  
but I've never really heard you laugh  
so who is rich and who is poor?  
I cannot say...

You are your Mother's only son  
and you're a desperate one  
but I don't want a lover  
I just want to be seen  
in the back of your car

A friendship sadly lost?  
well, this is true  
and yet, it's false  
but did I ever tell you, by the way  
I never did like your face

But you've got everything now  
you've got everything now  
and what a terrible mess I've made of my life  
oh what a mess I've made of my life

No, I've never had a job  
because I'm too shy  
I've seen you smile  
but I've never really heard you laugh  
so who is rich and who is poor?  
I cannot say...

You are your Mother's only son  
and you're a desperate one  
but I don't want a lover  
I just want to be tied  
to the back of your car  
to the back of your car  
to the back of your car  
to the back of your car
