

Surrender

The Soundlovers

I used to be surrender
I used to be a lonely soul
I used to ask the sender
asking him if my love has come

I pray everyday the wiser
I pray to tell me what to do
It's only love, I said "what?"
That's really not my point of view

I used to get it on
and I will go on... (4x)

I used to be surrender
I used to be a lonely soul
I used to ask the sender
asking him if my love has come

I pray everyday the wiser
I pray to tell me what to do
It's only love, I said "what?"
That's really not my point of view

I used to get it on
and I will go on... (4x)
