

Outlaw

The Sounds

Some say time
Will slow you down
Once I'm up
I won't come down
You'll get a second chance
But there's a three strike plan
there's a three strike plan
there's a three strike plan
Your better watch out
Don't you try to make me
Something that I can't be
Then you have to change me
'Cause I'm an outlaw
'Cause I'm an outlaw
Your better watch out
Don't you try to break me
Go ahead and hate me
You can never change me
'Cause I'm an outlaw
Yeah I'm an outlaw
Can't you see
That this is me
I'll get a second chance
But there's a three strike plan
there's a three strike plan
there's a three strike plan
