

## Dust Storm

The Spill Canvas

I've been waiting for the wind to change,  
I've been craving the summer rain,  
I wonder when she's gonna flood the plains.

Will I die before I get old?  
Will I be known or unknown?  
Can you tell me why all the birds have flown?

I don't wanna leave a message if there's nobody home.  
I thought I saw you through the window, but I don't know.

Stinging my eyes, It's just a dust storm.  
Caught outside, It's just a dust storm.  
Weather man lied, It's just a dust storm.

I've been waiting for the moon to rise.  
She's so luminous and wise.  
When she flirts with me, I feel shy.

I don't wanna leave a message if there's nobody home.  
I thought I saw you through the window, but I don't know.

Stinging my eyes, It's just a dust storm.  
Caught outside, It's just a dust storm.  
Weather man lied, It's just a dust storm.

Lonely, desolate,  
Uninhabited,  
In the reaches of no one, nowhere.  
Come hear your voice again,  
Shifting sediments.

But I don't know...

Stinging my eyes, It's just a dust storm.  
Caught outside, It's just a dust storm.  
Weather man lied, It's just a dust storm.

Miles and miles, It's just a dust storm.  
Filling in the sky, It's just a dust storm.  
Let it pass by, It's just a dust storm.  
Ohh....
