

# I Love No One But You

The Stanley Brothers

Now tonight as I write this note to you

There's sorrow in my heart

I hate to say goodbye my dear

But it's better that we part

Don't think that I've grown tired of you

Or found somebody new

For you were all I've ever had

And I love no one but you

Now when you read this note my dear

I hope you'll understand

And think of the one that loves you best

This broken hearted man

Now that I have loved and lost

I hope you're satisfied

It'll be so hard to go through this world

With a broken heart inside
