

## Thinking tonight of my blue eyes

The Stanley Brothers

Oh you told me once dear that you loved me  
That we never no never could part  
But the link in the chain has been broken  
And I'm left with a sad and aching heart

Oh I'm thinking tonight of my blue eyes  
Who is sailing far over the sea  
Oh I'm thinking tonight of her only  
And I wonder if she ever thinks of me

It wouldn't've been better for us both had we never  
In this wide wicked world ever met  
For the pleasure we've both seen together  
I am sure we will never forget

Now you may have friends on the ocean  
And you may have some over the sea  
But you'll travel this whole wide world over  
And you'll never find a faithful friend like me

Like the birds that go out in the spring time  
Just to wander for pleasure alone  
While the sun shine is smiling upon them  
But someday they return to their home

When the pleasures of life cease to call you  
And you're done with your wine and your song  
Then come back to your home in the mountains  
To the girl who's been waiting so long
