

# Will He Wait A Little Longer

The Stanley Brothers

On cruel Calvary where he suffered  
There he died upon the cross  
That we might be saved my brother  
Freed from sin and not be lost

Will he wait a little longer  
There's so many out in sin  
Will he wait a little longer  
Give us time to gather in

A vision of that mangled body  
I can see his nail-scarred hands  
When He calls me way up yonder  
I will hear and understand

Many loved ones gone before me  
They've made their peace for the final day  
But should He call before they're ready  
I can almost hear them say
