

# God Bless The Children

The Staple Singers

God bless the children  
Caus they cant' stop what men do  
And that's why lord i call on you  
They dont even know how to sin  
These are troubled times we're livin in  
When things fall  
Children cry  
Yes lord some will die  
Lord lord lord lord lord  
God bless the children  
God bless the children  
Teach us how to love  
Like never before  
And may we never steady war no more  
Talk to the hearts of the men who lead us  
And make them understand it's the children who need us  
Ohhhh yes i know  
It's not right  
If men must fight  
Lord lord lord lord lord  
God bless the children  
So many times i've heard this phrase  
That trouble it won't last always  
I'm not saying this phrase is wrong  
But i'm wondering why it has to last so long  
I see a newborn baby  
In a proud mothers arms  
Then to think of all the countires that now have them  
Lord lord lord lord lord
