

Love Is Plentiful

The Staple Singers

Love
Is plentiful, yeah
Love
So plentiful

All you've got to do is reach out for it
It'll be right there for you to enjoy

Love is plentiful

Well, now, brace yourself for what I'm about to say
You've been living in the hate too long
Too hard to change your ways
Try to love everybody, it ain't nothing to it, yeah
Just show you how easy it is
A little bitty baby can do it

I said, love
Yes, yes, yes, yes...

Yeah, yeah, hey, hey, yeah, yeah, yeah!
Oh!

Love is a great big house
With nothing in it
Everybody goes around
But they stay just a minute
Come on in and bring a friend
There's room for all
[?] we got there
It's hardly been used at all
I tell you love is plentiful
Oh, It's so plentiful
All you got to do is reach out boy
It'll be right there for you to enjoy
(Enjoy yourself)
Love is plentiful
I said love is so plentiful
You brought it we need it
Love
Don't be ashamed
