

Home Alone, Too

The Staves

Well it rained again this Christmas
Seems to happen every year
And it only snows on TV
And I saw you in your photographs
Seems you're having so much fun
It's okay, you don't belong to me

How I hate this time of year
It's dark and it's cold
And I feel I'm getting older
And I wonder

Are you watching home alone, too?
Are you watching home alone, too?
To I'm dreaming of you
And I don't know what to do

Well I saw you last Christmas Eve
When I ruined everything
How strange - from lovers to friends
And I heard you on the radio
And you played our favourite song
It's okay, I know how it ends

Man, I hate this time of year
It's dark and it's shit
And I feel I'm getting older
Still I wonder

Are you watching home alone, too?
Are you watching home alone, too?
As I'm dreaming of you

I will change, I promise to be
Better so much better than before
I will be good
And I'll change when I want to

Are you watching home alone, too?
Are you watching home alone, too?
