

Satisfied

The Staves

Wasted time, wasted while
Guilty lying on your back
Wasted talk on the telephone
Why'd you do it like that

You've put it on the shelf and you won't ask why
How do you know, how do you know when it's right?
When you think about it, did you really try?
Would you just leave it on the corner

Till you're satisfied?
Till you're satisfied?
(Don't give up this time)
And you don't know why
(Why would you do it like that?)
Ooh, you're never satisfied

Playing cool, hotel fool
Maybe all you needed was a friend
Still confused, nothing new
Why you doing it again?

It was never enough till you know it's dead
Keep wasting all your time tryna meet it there
Did you need it that night, did you really care?
You just leave it on the corner

Till you're satisfied?
Till you're satisfied?
(Don't give up this time)
And you don't know why
(Why would you do it like that?)
Ooh, you're never satisfied

Don't give up
Don't give up this time
Will you just leave it on the corner

Till you're satisfied?
Till you're satisfied?
(Don't give up this time)
And you don't know why
Ooh, you're never satisfied

Don't give up
Don't give up
Don't give up this time
Satisfied
Don't give up
Don't give up
Don't give up this time
Oh, you're never satisfied
