

Teeth White

The Staves

My mind is troubled these days
I don't know know what to say
About all the crazy things that I have done
I don't know what I'm looking for
But I know this for sure
That I'm the only one not having fun

I got my teeth white and my jeans tight
I got my hair long and it's still wrong
And I wanna know
When I can stop taking it slow
Cause I've had enough

I don't know what to expect
I feel a disconnect
And in all my years I've never felt so young
I'm not going to break my back
Work until my bones crack
If I'm the only one not having fun

I got my hair long and it's still wrong
And I wanna know
When I can stop taking it slow
Cause I've had enough

Stop asking me why I won't take the things you give me
I'm not gonna smile
When you shake my hand and tell me
You're not happy with me

I got my teeth white and my jeans tight
I got my hair long and it's still wrong
And I wanna know
When I can stop taking it slow
Cause I've had enough
And I wanna know
When I can stop
