

## Trying

## The Staves

Too much to say  
Too hard to lift it up  
I shoot my mouth  
But I never do enough  
I'm all scared  
'Cause it's been so rough

I'll be here  
Trying  
I'll be here  
Trying

Just cut me loose  
I can do as I please  
Keep your necklace hanging by me  
Like a rosary  
Well, what's good  
Isn't good for me

I'll be here  
Trying (just trying)  
I'll be here  
Trying

I'm sorry  
I'm sorry  
You should be sorry too  
I'm sorry, you should be sorry too  
I'm sorry, you should be sorry too  
I'm sorry, you should be sorry too  
I'm sorry, you should be sorry too  
I'm sorry, you should be sorry too  
I'm sorry, you should be sorry too  
I'm sorry (sorry), you should be sorry too  
I'm sorry, you should be sorry too  
I'm sorry, you should be sorry too  
I'm sorry  
You should be sorry too  
You should be sorry too

Don't close your eyes  
Please, step to this  
You can say I don't know pain  
And so it don't exist  
I'm in my room  
And it's all there is
