### Chorus

I know our days are heaven sent
Lord knows I know not where they went
shake my head and I wonder how
I'll ever get to heaven now

## 1st Verse

An angel came one winter dawn you should seen what she had on wind was whistlin' like its rain she left again just like she came

### Chorus

I know our days are heaven sent Lord knows I know not where they went Shake my head and I wonder how I'll ever get to heaven now

# 2nd Verse

I move around a lot these days honky tonks and broad freeways the same thing that I've always done but I'm older now and I get tired some

# Chorus

I know our days are heaven sent
Lord knows I know not where they went
Shake my head and I wonder how
I'll ever get to heaven now

## 3rd Verse

Those who think they hold the cards
I send out my kind regards
Those who love to who care
I'll meet you down the road somewhere

Chorus (Repeat 2x's)
I know our days are heaven sent
Lord knows I know not where the went
Shake my head and I wonder how
I'll ever get to heaven now

I'll ever get to heaven now
