I Wanna Be Your Dog

The Stooges

So messed up I want you here In my room I want you here Now we're gonna be face to face And I'll lay right down in my favorite place

And now I wanna be your dog And now I wanna be your dog And now I wanna be your dog Well, come on

And now I'm ready to close my eyes And now I'm ready to close my mind And now I'm ready to feel your hand And lose my heart on the burning sands

And now I wanna be your dog And now I wanna be your dog And now I wanna be your dog Well come on
