

Could Have Been Me

The Struts

Don't wanna live as an untold story
Rather go out in a blaze of glory
I can't hear you, I don't fear you

I'll live now cause the bad die last
Dodging bullets with your broken past
I can't hear you, I don't fear you now
Wrapped in your regret
What a waste of blood and sweat
Oh oh oh...

I wanna taste love and pain
I wanna feel pride and shame
I don't wanna take my time
I don't wanna waste one line
I wanna live better days
Never look back and say
It could have been me
It could have been me
Yeah

Don't wanna live as an unsung melody
I'd rather listen to the silence telling me
I can't hear you, I don't fear you

Don't wanna wake up on monday morning
The thought of work is getting my skin crawling
I can't hear you, I don't hear you now
Wrapped in your regret
What a waste of blood and sweat
Oh oh oh...

I wanna taste love and pain
I wanna feel pride and shame
I don't wanna take my time
I don't wanna waste one line
I wanna live better days
Never look back and say
It could have been me
It could have been me
Yeah

I wanna taste love and pain
I wanna feel pride and shame
I don't wanna take my time
I don't wanna waste one line
I wanna live better days
Never look back and say
It could have been me
It could have been me
Yeah

I wanna taste love and pain
I wanna feel pride and shame
I don't wanna take my time
I don't wanna waste one line
I wanna live better days

Never look back and say
It could have been me
It could have been me
Yeah
