

Somebody New

The Struts

Believe me, I'm speechless
I wish that I could say those words you whispered so sweetly
And maybe I'll regret this but I've gotta be honest
Cause we made a promise, I won't break it now
I wish I could hold you
But how could I be so unfair to lead us to nowhere?
We've both been down that road before
And if it should end us please know that I'm helpless
I've made up my mind

It's not that I don't care the way that you do
It's just my heart's not ready yet
For somebody new
It's not that I don't feel the feelings you do
It's just my heart's not ready yet
For somebody new

If only this started when love was something new to me
I'd never have questioned, rejecting what we could have been
But when you've been broken some wounds remain open
That no one can heal

It's not that I don't care the way that you do
It's just my heart's not ready yet
For somebody new
It's not that I don't feel the feelings you do
It's just my heart's not ready yet
For somebody new

It's not that I don't feel at all, the feelings you do
It's just my heart's not ready yet
For somebody new
It's not that I don't-
It's not that I don't care the way that you do
The way that you do, babe
Cause when my heart's not ready yet
For something so soon, yeah
It's just my heart's not ready yet
For somebody new
