

I, just like a fool let you go  
Not knowing what I had lost  
As only a fool would know  
Still counting, but not the cost

And so, not having much left to show  
I tried to fool myself  
As only a fool could show  
Until she comes back to me

I never thought that it would be this way  
See, I took it for granted that you were here to stay

You, with your brown eyes of blue  
I couldn't see further than me  
Now, I see the same old view  
Unless you come back to me  
Until you come back to me

If you come back to me  
I never thought that it would be this way  
See, I took it for granted that you were here to stay

If you come back to me  
I never thought that it would be this way  
See, I [Incomprehensible] that you were here to stay

And I, just like a fool let you go  
Not knowing what I had lost  
As only a fool would know  
Unless you come back to me  
Until you come back to me  
If you come back to me, yeah
