

# Girls

## The Sugarhill Gang

Whoo! Mm-hm, hm.

Oh my goodness, all the girls in this place, man!

Outstanding, outstanding.

Yo, yo, over there - that girl, what she's called. What's her name, what's her name?

Hey, hi! How you doin'?

Alright, mama! You look real good today.

Hey guy, guy, what kind of girls you like, man?

Man, I like them fat, I like them tall, some skinny, some small.

Man, I like all of them, I like the girls.

I can dig that, I can dig that!

I'm tellin' ya, one definition for girls by me is: fine!

That's right, brother.

Tellin' ya, they are up in here tonight!

I've got an idea!

What's that?

Why don't we sing a song for 'em?

Okay!

Girls (oh!)

I love the things they know (love the things they know)

I love the things they show (love the things they show)

I got to be their goal [?]

Swe-e-tness

Girls (oh!)

Sunshine in their hair (sunshine in their hair)

Perfume that they wear (perfume that they wear)

Girls are everywhere

Now, I'd like to be on an island

With five or six of them fine ones

Even ones that ain't good lookin'

They're the ones, who do the best cookin'

Gimme one with lots of money (yeah!)

Gimme two with lots of honey

Gimme three, that do those freaky things

Gimme four bad ladies, that like to swing!

Girls (oh!)

I love the things they know (love the things they know)

I love the things they show (love the things they show)

I got to be their goal

Swe-e-tness

Girls (oh!)

Sunshine in their hair (sunshine in their hair)

Perfume that they wear (perfume that they wear)

Girls are everywhere

Nothing could be sweeter

Than a girl in my two-seater

We cruisin' around 'till dark (hey!)

And find a nice place to park (yeah!)

By the time we've got to dealin'

She knew what I was feelin'

Then she turned around and slapped me!

Said I got lil' bit too happy.  
Hahaha!

Girls (oh!)

I love the things they know (love the things they know)  
I love the things they show (love the things they show)  
I got to be their goal  
Swe-e-tness

Girls (oh!)

Sunshine in their hair (sunshine in their hair)  
Perfume that they wear (perfume that they wear)  
Girls are everywhere

Super fine  
And don't you know you're mine, all mine  
M-hm, you look so good

Te quiero, mi amore!  
It's the girls that we adore!  
With ladies on my mind  
Don't you know, I daydream all the time  
Hey! Well, I tried to swim the whole ocean  
Just to see the girls in motion  
When they wear those black-[] stockings  
My heart starts to tick-a-tockin'  
So sleek and super fine  
Like a vintage, rosey wine  
Hey girl, no need to blush  
'Cause I think you look to crush!  
I don't wanna play peek-a-boo  
I just wanna get next to you  
You're so fresh (all the time!) you're in your prime  
But let's take it to the bridge, one more time!

Girls (oh!)

I love the things they know (love the things they know)  
I love the things they show (love the things they show)  
I got to be their goal  
Swe-e-tness

Girls (oh!)

Sunshine in their hair (sunshine in their hair)  
Perfume that they wear (perfume that they wear)  
Girls are everywhere

I wish I was a magician  
So I could stop this wishing  
I'd wave my magic wand  
And poof! I have big fun  
If all the guys could see me  
They'd swear I was Houdini  
Before they could count from 1 to 3  
I'd have 10 girls, standing next to me!

Girls (oh!)

I love the things they know (love the things they know)  
I love the things they show (love the things they show)  
I got to be their goal  
Swe-e-tness

Girls (oh!)

Sunshine in their hair (sunshine in their hair)
