

Here I Am

The Sugarhill Gang

Here I am
As they always say
Honey lamb
Girl, I only love this way

I got into you
You got into me
And that's just the way
Girl, it's gonna be
In love

Here I am
Standing by your side
Understand
True love's the reason why

I got into you
You got into me
And that's just the way
Girl, it's gonna be
In love

This is my declaration
Let's have a celebration
Love, come closer, yeah
Just a little bit closer, yeah

Here I am
And I'll always stay
Honey lamb
Girl, I only love this way

I got into you
You got into me
And that's just the way
Girl, it's gonna be
In love

Ooh...

Here I am
Standing by your side
Please understand
True love's the reason why

I got into you
You got into me
And that's just the way
Girl, it's gonna be
In love

(Come a little closer, girl) (closer)
Come, get a little closer, girl
(I'm gonna get you closer, girl) (closer)
I'm gonna get you closer, girl, yeah
(Closer)

Bring me your love (closer)
Just a little closer
(Come a little closer, girl) (closer)
Come, baby, light my fire, hey

(I'll get you closer, girl) (closer)
Let us bring the spirit higher, yeah
(Closer) closer
(Closer) yeah

I'll go get you closer, girl (closer)
Let me get you closer, girl (closer)
If you love me, call my name

(Closer) yeah
(Closer) bring me closer
(Come a little closer, girl) (closer)
(I'm gonna get you closer, girl) (closer)
Ooh...

(Closer) c'mon then
(Closer) baby be my friend
(Come a little closer, girl) (closer)
(Let me get you closer, girl) (closer)
(Closer)
(Closer)

(Come a little closer, girl) (closer)
(I'm gonna get you closer, girl) (closer)
Here I am...
(Come a little closer, girl) (closer)
(Closer)
(Closer) closer

(Come a little closer, girl) (closer)
(I'm gonna get you closer, girl) (closer)
Say it (closer)
Bring it on
Say it
(Come a little closer, girl) (closer)
I'm gonna get close to her
